Dr Geo. Engleman

St Louis Mo

Dear Sir I forward to your address to day one package of Ferns and plants. Which I hope may reach you in Safety. Myself and Some others being out on a Jaunt in the Woods a few days since found the Maiden hair fern and as We differed in Opinion as to its name I have taken the liberty of Sending To you for Correct name. I Send it So you Can plant it if you desire also please name the other two plants Enclosed. the Plant With the azure Blue flower Grows in a few localities in Our prairies but is Not plentiful. it is a flower that last a long time and Blooms Continuously Through the dryest and hottest weather, Any favor I Can do for you here. Shall be done With alacrity and pleasure - I am With much respect yours
